LICENSES

In order to protect The Power Hawks Brand and give students licensing experience, the above referenced licensing system reference protects the Team's documents. The licensing system requires a reference to the Team and a copy of the copyright statement above be affixed to anything which utilizes any content here-in; however, this licensing system affords the community the ability to modify and build upon the content here-in.

Attribution-NonCommercial 4.0 International (CC BY-NC 4.0)

This license is used for any of the Team's documents, presentations, images and any other item developed for the Team's use. It allows for the sharing and redistribution of the material, and the remix, transform, or building upon of our material. The use of the protected material requires Attribution and that it is not used for Commercial use. These restrictions are the same as the last license but allow for changes, with appropriate credit given, indicate if any changes were made, provide a link to the license such as the copyright statement above.

Application

Licenses need to be applied to all of our team materials. In particular the website there is a segment of html added to the website to show the type of license and the images associated with it. All of our images have the license added to the attributes of the images in Adobe Lightroom. In text documents you add the following statement:

This work is licensed under the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License. To view a copy of this license, visit <http://creativecommons.org/licenses/by-nc-nd/4.0/>.

To show that the document is under the license, this should be at the end of each document as provided in the word document format.

Logos

Primary Logo

Primary Logo with Text

Primary Logo with Horizontal Text

Text Logo Usage

When the logo is used with text, the text should be in Serpentine Bold.

Logo Spacing

Logo Usage

The logo should have a buffer zone in all publications, maintaining a clear space on all sides of the logo that is the distance between the end of the last tail feather to the bottom of the second to last tail feather.

COLORS

The team colors are standardized so a key component of maintaining the organization's brand is uniform and distinguishable. These team colors have also been carefully chosen to stay as true to our past colors as possible, and for maximum convenience for printing and content creation, as they are all based off of common pantone tones.
